# CAPABILITIES STATEMENT

Complete Comfort Air is a leading provider of HVAC solutions and has served Columbia, SC and its surrounding areas since 2014. Specializing in the design, installation, maintenance, and repair of heating, ventilation, and air conditioning systems for residential, commercial, and industrial clients. We are committed to delivering energy-efficient, high-performance solutions that enhance indoor comfort and air quality.

## CORE COMPETENCIES

- HVAC Repair Services: Fast and reliable repairs for all types of HVAC systems, from basic issues to complex troubleshooting.
- Preventive Maintenance Contracts: Scheduled maintenance services to prolong system life and improve performance.
- HVAC Installation: Installation of heating, ventilation, air conditioning systems for residential, commercial, and industrial buildings.
- Duct System Design: Custom HVAC system design to meet specific client needs, including compliance with building codes and energy efficiency standards.
- 24/7 Emergency Services: Immediate response to HVAC system failures, ensuring minimal downtime.
- Indoor Air Quality: Solutions that improve air quality, including air purifications, filtration systems, and humidity control.
