Paula Gudelia Sours, the owner, has brought over 25 years of experience in the forms, promotional, and technology business to her company. Before starting Visions GPS Branding, she worked as a Promotional Products Specialist at Business Solutions/sb for 24 years, from February 1989 to June 2013

The company's mission is to put clients' brands in people's hands, ensuring that everything people touch with a client's logo creates an experience. Visions GPS Branding aims to find the best solutions for their customers' projects, whether it's forms, promotional items, or marketing needs.

Paula Gudelia Sours' background as a migrant farm worker and her participation in the SPARK Program at Saint Mary's College played significant roles in shaping her entrepreneurial journey, The SPARK Program provided her with the courage and strength to pursue her long-held dream of starting her own business. Also the President of NIMBA (Northern Indiana Business Association) and the Latin American Chamber of Commerce.

Visions GPS Branding LLC is committed to working with local vendors and small businesses, striving to find the perfect product for their clients' events and needs. The company's approach is rooted in listening to clients and developing tailored solutions for their branding and promotional requirements.
