- ✓ Woman-Owned Healthcare Consultant
- ✓ Redefining the Infrastructure of Trust
- ✓ Agile and Responsive

Summary: TVIO Holdings, Inc. helps organizations strengthen the operational backbone behind compliance, quality, accreditation, safety, risk management, and privacy. We support leaders who need practical structure, clearer oversight, and a more coordinated approach across functions that are too often managed in silos.

Key Differentiators

- **Integrated Perspective:** Connects related oversight domains that are often managed in isolation.
- **Operational Focus:** Emphasizes practical structure, accountability, and execution.
- **Scalable Approach:** Supports immediate needs while laying groundwork for long-term maturity.
- **Cross-Functional Alignment:** Improves consistency and coordination across teams and processes.
- **Experienced Leadership:** Grounded in substantial real-world experience across complex regulated and operational environments..

Core Capabilities and Strategy

- **Advisory and Consulting:** Strategic advisory and leadership support across oversight functions.
- **Compliance and Privacy:** Compliance and privacy program development and improvement.
- **Quality, Safety, and Risk Management:** Quality, safety, and risk oversight support, value-based care, and population health intiatives
- **Accreditation and Readiness:** Accreditation and regulatory readiness support. Corrective action monitoring, and survey support.
- **Policy Lifecycle Management:** Policy governance and lifecycle management design and support.
